

DIY CLIPBOARD

It is always good to have a stabile clipboard for your notes. Use it as social detective or when you plan your projects.

MATERIALS

A clipboard consists of

- a sturdy cardboard box in the size of your choice (larger than the notepad)
- something to fix the paper – a clip, a clothspin, a filing stripe
- paper - use existing one, cut and turn around it if printed)
- something to write – a pen, a marker

Additionally you could need:

scissor, colors, stickers, thread, glue

Enhanced versions

How about adding a light for your clipboard?

How about adding your own project logo?
